A Note from the Children's Ministry

Thank you all for your continued support of our D1Kids Ministry! We are so blessed to have a place to come together with the students & families of Dickson First 2-3 times each week to learn, share, & grow in faith. Our weekly programs continue to thrive (averaging 20-25 kiddos each week)! The nursery is becoming pleasantly crowded with over 5 babies almost every week. Our Deep Blue Sunday School Classes have been challenged

to an offering goal and are killing it! And there's always excitement about WNL & the children's choirs. Plus, we are excited to announce the start of our new D1 Dance Ministry, Waves of Worship (WOW for short). It meets on Friday afternoons @ 3:45 in the sanctuary & all are invited (adults, youth, & children)!

If you'd like to participate or volunteer with any part of our ministry please let us know. We'd love all the help we can get; plus, it is such a joy to work with, lead, and learn from all these kiddos!

Also, I'd like to say a quick Thank You for helping with the UMCOR Christmas Shoe Box Drive this month. We love being a part of this outreach ministry. With

your help, we will help make many kids days a little bit brighter!

DFUMC Praise Dance Ministry

The purpose of this Ministry is to use our gifts to praise & worship God through dance and sign language.

Throughout history, dance played major role in the church & appears many times in the Bible.

Our vision for this ministry is to learn how to use our gifts of dance to celebrate God's Amazing Power & Love while leading others in Praise & Worship.

We plan to practice weekly (throughout the school year) & share our gifts with the congregation/ community once a season &/or special events.

We hope to grow an exciting ministry where people of ages & circumstance feel accepted, comfortable, & important, all the while, building relationships with God & growing in faith.
